

Facebook Photo Permission

Dear Parents,

Every year, we go through the process of updating our advertising materials, such as brochures, websites, and other handouts. Another way we hope to reach out to our community is by using pictures and possibly even videos of some of the activities we conduct here at Beautiful Saviour Lutheran School on our Facebook page. In order to do this, we need your assistance.

Many of the pictures put on our Facebook page will be of group activities, such as class pictures, classroom group work, recess activities, athletic events, and other events where groups of children are having fun. We would like to use our students in these pictures, but we need written permission from you, the parent or legal guardian, in order to show their faces on our Facebook page -

We ask that you fill out the bottom portion of this letter and return it to school (either to your child's teacher or to the office) by Friday, August 25.

While we hope that all parents will allow us to use their child's picture, we do understand if you choose not to participate in promotions and updates. May God continue to bless you and your family.

In His Service,
Dave Neujahr, Principal
